Testimonial

- “Due to the location of the property I had to make the majority of my wedding arrangements via the phone, email and by looking at pictures on the internet. It really made me nervous not being able to make that face to face connection and not being able to see things first hand. However, my concerns disappeared once I started working with the staff. Everyone was very helpful, sincere and more than accommodating. Once I set my eyes on Lake Crescent I knew I had truly made the right choice. I could not have asked for a more beautiful wedding. All this could not have happened without the helpful staff. Thank you so much Lake Crescent for making this the best and most memorable day of my life. Sincerely, Lacey.”
- “Kalaloch Lodge is a magical place to have your wedding. Pictures can not do it justice. Having the sound of the crashing waves while saying “I Do” really offered a one of a kind wedding experience for all. I would definitely recommend a Kalaloch Lodge wedding to anyone looking for a fun and unique wedding that both you and your guests will never forget. I couldn’t have asked for a more wonderful time. ~Rachael”
- “Our guests cannot stop talking about how much fun and how unique our Lake Quinault wedding was. Getting married in front of the lake followed by a reception in the Ballroom was definitely the way to go. I was a little nervous about the flow of going from outside to inside but thanks to the wait staff who took care of our every need it was very successful. The catering staff prepared for us an outstanding meal. We have had so many comments about how great the food was. Cheers, Seth.”
- “Sol Duc was the perfect atmosphere for our small cozy wedding. Our wedding day was a wonderful memory for all of us! The Sol Duc staff was wonderful and the scenery was breathtaking. Thanks, Janae”
